"A preferred supplier to FTSE 100 and blue chip companies including Merrill Lynch, City Group, KPMG, Reuters, BP, BT, Coca-Cola and world renowned institutions like Bank of England and many more..."

EXECUTIVE SEARCH

“He always runs while others walk, he acts while other men just talk, he looks at this world and wants it all, so, he strikes like Thunderball!” Was Tom Jones singing about James Bond or could he be Richard Branson? Who knows! The point is, it's important to know exactly what and who you want when you fill an influential post.”

Our Executive Search Package Includes:

Advanced Account Management:

- HR consulting and audit
- Marketing support
- Competitive pricing models
- Guaranteed transparency, discretion and confidentiality

Managed Services:

- Payroll and Accounts
- Project Management
- Training
- Recruitment Legislation

The Best Headhunters In The Market:

- Access to our professional contact network
- Cutting edge assessment centres
- Salary benchmarking

But it's equally important to know what top talent is looking for. A recent survey of 'City of London' companies found a culture supporting both personal and professional development are outweighing the power of the wage packet, for many. While a search like this has a feel of Mission Impossible about it, with our extensive network of connections and industry know-how, Angel can act as your very own undercover agent.
