- HR consulting
- Regular candidate checks and availability updates
- Competitive pricing models
- 13 weeks temporary to permanent contracts

Managed Services:

- Payroll and Accounts
- Project Management
- Training
- Recruitment Legislation

Working Under the NHS Framework:

- CQC registered
- A comprehensive network of locums and permanent healthcare professionals
- Enhanced DBS, CCT, GMC, NMC, insurance Hepatitis B and reference checks

The British Medical Association (BMA) says GP consultations in England have risen to 340 million a year — up 40 million from 2008 — compared with almost 22 million in emergency medicine. The pressure to deliver efficient and effective care is higher than ever. Angel can help you recruit permanent, temporary and contract personnel so you can help others.
