SOCIAL CARE

“If actress Elizabeth Taylor had employed Mary Poppins, in her later years, she might not have needed an entourage comprising: doctors, nurses, companions and psychologists to maintain her independence. While the film diva blazed a trail for modern social care and the changing needs of its clientele the ever efficient Mary Poppins reminds us that all good care staff are really there to help people help themselves.”

Our Social Care Package Includes:

Care Quality Commission (CQC) Certified Support:

- Advanced DBS and reference checks
- Advanced training: NVQ levels 2 & 3, and above, in Health & Social Care
- All staff with: exceptional empathy, passion for care and people skills
